Welcome to Gershon Psychological Associates, LLC and thank you for allowing us to be of service to you.

We have a tablet-based system for checking in at our office called Phreesia. Please arrive about 20 minutes early to complete this process.

If you prefer to complete the paperwork beforehand, you may complete the age-appropriate forms from our website.

There are a few other pieces of information that will also help with your experience here. Any previous evaluations that have been completed, IEPs, 504 Plans, medication lists or other relevant health information will allow our clinicians to more easily develop a treatment plan. We will also need to make a copy of your insurance card and identification. This is a fraud prevention precaution that the health insurance companies require from us for your protection.

As a courtesy to other patients who are trying to schedule appointments, we ask that you give us 48 hours notice if you need to cancel or change your time. Our automated reminder system will call you two days ahead of the appointment. Please arrive about 20 minutes early for your first appointment to allow for check-in to confirm your information.

We will do our best to obtain as much detailed information about your insurance plan and any associated fees such as copays or deductibles prior to your appointment. You may also check with your insurance carrier to find out this information.

We look forward to working with you and hope you have a pleasant experience at our office.

Sincerely,

A handwritten signature in black ink that reads "J. Gershon, PhD".
