

SOCIAL SKILLS GROUP

Gershon Psychological Associates is excited to announce a new eight-session social skills group for children with autism spectrum disorders, social anxiety, and ADHD (ages seven to nine years old).

Topics that we will cover include:

Nonverbal communication

(eye contact, tone of voice, personal space, etc.)

Making friends

(introductions, initiating conversation, turn-taking)

Assertiveness training

(dealing with bullying, expressing feelings, empathy)

Parenting skills

(modeling social skills, reinforcing behavior)

LOCATION:

7 Austin Ave.
Greenville

TIME:

Tuesdays
5:00 pm

(Starting late January/
early February)

COST:

Insurance
copayment
